What Educators are saying about *The Star-Spangled Flag Print*

Superintendents that purchased a framed print for every school are saying:

We prominently display them in the school board room, main hallways in schools and in administrative offices. Staff, students, parents and patrons have made numerous positive comments regarding the beauty the flag picture displays. We are proud to have them in our schools as symbols of our love and support of the United States.

-Geoffrey M. Thomas, Ed.D., Superintendent, Madison S.D. 321, Rexburg, ID

Our district purchased a framed patriotic USA flag for display in our school district office and in each of the schools in our district. We have had many positive remarks with regard to these flag displays from parents, staff, students and the general public. We are proud to have these displayed in our school to show our love and support of our troops, our government, and our wonderful country.

-Dr. Henry Jolley, Superintendent, Beaver County S.D., Beaver, UT

The ten framed patriotic USA flag displays we recently purchased have made a positive impression on our students, faculty and parents. Anything schools can do to promote patriotism in these perilous times is the right thing to do for our country.

-Dr. Melvin R. Baldwin, Superintendent, Uinta County S.D. #1, Evanston, WY

Principals and Office Managers are saying:

Our Parent Teacher Volunteer group recently bought our elementary school one of your *Star-Spangled* framed flags. We have received numerous compliments from parents, students and visitors about how beautiful it is. Thank you for visiting Hagerman Elementary and offering us the chance to purchase your fabulous *Star-Spangled Flag Print*.

-Lee R. Mitchell, Superintendent / Principal, Hagerman Joint S.D. #233, Hagerman, ID

The administration as well as faculty and staff are all very impressed with the framed and matted print of the United States flag we recently purchased. We also purchased ten of the big loose prints that we had laminated to display and use as a teaching tool for our social studies curriculum.

-Pat Mickelson, Principal, Kingman High School, Kingman, AZ

After purchasing the framed print, we hung it in the front office for everyone to enjoy. We have had many parents, students and staff comment on how beautiful it looks. We then decided to purchase the prints for our Social Studies Classrooms and those teachers were thrilled. Not only are they beautiful, but also very educational.

-Jean Woods, Principal, Desert Ridge Junior High School, Mesa, AZ

Thank you for stopping by and bringing in your *Star-Spangled Flag Print*. We bought the two framed prints and hung one of them in the front office for everyone to enjoy. We have had many parents, students, and staff comment on how beautiful the print is. We hung the other print in the Dean's office.

-Susan Echols, Principal, O'Callaghan Middle School, Las Vegas, NV

Just wanted to drop you a note thanking you for the opportunity to have the beautiful *Star-Spangled Flag Print* be a part of our school. We have placed it in the front office and we get so many compliments from our visitors. The teachers that have purchased the separate prints for their classrooms are very excited to have them.

-Diane Best, Office Manager, Martha P. King Elementary, Boulder City, NV

Thank you for bringing in the beautiful large *Star-Spangled Flag Print* to our school. We have the flag print displayed in the front entrance of the office. Whenever parents, students, and other visitors come by, they all stop to admire its uniqueness and beauty.
